

Class 1 Learning Overview 2023

Spring Term

English	Maths	Theme	Other Subjects	What you can do to help your child this term
<p>This term we will learn the story of 'The Three Little Pigs'. We will retell the story and then change the characters and key parts. We will learn about comics and create our own.</p> <p>We will also focus on many cross-curricular pieces of writing, giving the children a purpose to write. This will include, writing non-chronological reports, creating a plant diary and using non-fiction books to research another country.</p> <p>Within our Grammar, Punctuation and Spelling lessons, children will learn:</p> <ul style="list-style-type: none"> To use the conjunctions 'and', 'but' and 'or' To use exclamations for one word only and for commands. To use capital letters to start sentences, dates, names of people, 'I' and names of places. 	<p>Children will develop their fluency and problem solving skills in the following areas:</p> <p>Number: Place Value (within 20)</p> <ul style="list-style-type: none"> Counting and ordering to 20 Learn the spellings of numbers written as words 1 more and 1 less Using a number line to 20 <p>Number: Addition and Subtraction</p> <ul style="list-style-type: none"> Add by counting on within 20 Number bonds to 20 Doubles Subtraction by counting back Missing number problems <p>Number: Place Value (within 50)</p> <ul style="list-style-type: none"> Count to 50 Count by making groups of ten Partitioning into tens and ones Number line to 50 1 more and 1 less <p>Measurement: Length & Height</p> <ul style="list-style-type: none"> Compare length and heights Measure length in centimetres <p>Measurement: Mass and Volume</p> <ul style="list-style-type: none"> Measure and compare mass Measure and compare capacity 	<p>Within our theme 'Where We Live' we will be covering the following subjects:</p> <p>Geography- We will name, locate and identify the four countries in the UK and learn the names of the surrounding seas. We will also be researching another country and create a fact file comparing that place to Chelmsford. We will also be looking at maps and create our own map of the Three Little Pigs' Village.</p> <p>History-The children will discover Chelmsford's local history.</p> <p>DT - We will learn how to make our pictures move. We will develop a food vocabulary and try various foods from around the world.</p> <p>Music - We will sing songs and play percussion instruments.</p> <p>Art - We will learn about different artists.</p>	<p>Science - We will begin the term by learning about different materials. After half term we will cover plants. We will grow our own cress and record its growth in a diary. We will also learn about deciduous and evergreen trees.</p> <p>RE - We will continue learning about different religions and compare them to our own values and experiences.</p> <p>Computing - We will create our own animated stories on Purple Mash. After half term we will learn about algorithms.</p> <p>PE before half term- Dodgeball and Gymnastics PE after half term- Dance and Hockey</p> <p>PSHE- We will continue promoting the values of health and wellbeing through leading a healthy lifestyle. We will be discussing the differences and similarities between people and learn to respect them.</p>	<p>Continue to read every day and complete the comprehension homework twice a week. Please can children now write out the answers to the comprehension questions (in full sentences) themselves.</p> <p>Help your child learn to spell their High Frequency words (test every Friday).</p> <p>Please read and sign your child's homework page in their homework folder.</p> <p>Additionally, please help your child to:</p> <p>Recall number bonds to 20.</p> <p>Recall one more and one less than to 50.</p> <p>Write digits to 50.</p>
