CHANCELLOR PARK WEEKLY NEWSLETTER

Dear Parents

Here we are at the end of our second full week of school, and once again I have to say how proud we are of all the children and how they are adapting to the new 'normal'.

This week saw the remainder of our classes participating in a Yoga and mindfulness session, which we hope will be just the beginning of our endeavours to heighten the children's awareness of this.

We have had a lot of calls into the office regarding advice on coughs, temperatures and general well-being. Can I please direct you to our advice posted on the app earlier this week as to the appropriate route to take if your child is unwell and our School Offer of home learning for those absent due to shielding and awaiting test results.

Contact details for home learning

A big thank you to all those parents who have sent us their preferred contact details for home learning packs, lots of you extremely promptly after the app message was distributed. May I politely request any parents who have not already sent us their details do so as soon as possible so the information can be collated.

Emotional Well being

Over the course of the week we have continued to focus on Positive Mind-set and supporting our children's emotional well-being. This week staff have identified the following children for their exceptional efforts in promoting positivity:

Oliver (1), Lola (2), Scarlett (3), George H (4), Taylor (5E), Hollie J (5O), Neve (6)

Macmillan Coffee Morning/ Harvest Art

Unfortunately, this year we are unable to host a coffee morning but nevertheless wish to support this most worthwhile of charities. So, in order to facilitate this, we plan to post pictures of your children's art on our app. If you would then like to make a donation on our JUST GIVING page we would be extremely delighted. At the end of the day your child will take home a cake for you. More details will be posted next week with details to our page.

PTA AGM – Last week you will have received your invites for the Friends of Chancellor Park's AGM next month. If you are interested in getting involved in supporting the school with organising fund raising events, please come along (virtually) and share your ideas. We are particularly looking for anyone with financial expertise.
