CHANCELLOR PARK WEEKLY NEWSLETTER

Dear Parents

Firstly, we would like to welcome everyone back to the start of another school year. A particular warm welcome to our new Class R children and their families who have just joined the school, we hope your children will enjoy their time here at Chancellor Park Primary School.

In addition, we also welcome back Mrs Wellock to our support staff along with Mrs Davey, who will be working with Class R and Miss Wade who has joined our kitchen team.

Can I also take this opportunity to thank our parents and carers for their continued support regarding the new drop off and pick up arrangements. It is lovely to welcome the children back on their bikes and scooters and this beautiful weather has certainly added to the return to a greater sense of normality.

Newsletter

For our new families, this newsletter is written on a weekly basis on a Friday, outlining any curriculum information, school events and messages from staff. The newsletter will also act as a reminder for up and coming events for both children and parents. A copy of this can be found on the school website and app.

Furthermore, in future weeks we will be adding more details such as birthdays and pupils' achievements along with sign posting any community events.

We will continue to post as much as possible on the app/ school website in order to reduce the paper copies of letters etc. Please keep a sharp look out for any new messages here.

Parent Messages

If possible, can parents still continue to email the school with any messages e.g. if there are any changes regarding collection arrangements etc. If, however, you do need to visit in person can you please continue to wear a mask and report to the school office.

On line Payments

As I specified in my last letter to you, we remain cashless here, so can all payments be made via the SIMS Agora. If anyone has any difficulty with their log in please contact Miss Wood in the school office.

Uniform

The children have returned all looking amazing, so a big thank you. We will continue to monitor this on a weekly basis to ensure that this is followed and that the school maintains its smart reputation.
