CHANCELLOR PARK WEEKLY NEWSLETTER

Dear Parents,

We have had a very busy week this week, with lots of new topics being started and of course our Year 3 and 4 classes starting their swimming lessons. A group of children from Class 2 took part in the Three Tees competition on Tuesday and all played extremely well. Unfortunately, we did not make it into the final this year, but nevertheless they all did themselves extremely proud, coming 6th out of 13 local competing school teams.

Clubs

Clubs will begin next week. Please collect your child from the front of school main entrance at 4:15/4:30. Thank you.

We are very excited to have a new provider for school clubs joining us – Parallel Sports. Kudus and his team will be offering KS1 and 2 football clubs, and also basketball and archery club this term. More details can be found within 'Documents' on the school app, and registration for these clubs remain open.

The booking deadline for internal clubs however has now passed and registers have been formed. If you hear from the lead teacher advising otherwise, please assume your child has successfully secured a place. I am very grateful to the teaching team who give up their time to run these clubs after school and therefore do expect a commitment of attendance from the children they have signed up for. Unless they are off school unwell, regular attendance is expected please.

Blue stars of the week

This week staff have identified the following children for their exceptional efforts in promoting our core values and school rules:

Lucy (Class R), Tim (Class 1), Harry S (Class 2), All of Class 3, Jaime La (Class 4), Emily (Class 5), Isabelle (Class 6Elm) and Jasmyn (Class 6 Oak)

Happy Birthday to:

Lois F (Class 2) 7
Chiara P (Class R) 5
Nathan K (Class 6 Oak) 11

STARS OF THE WEEK

Jake (Class R)
Esme (Class 1), Finley (Class2),
Ren (Class 3), All of Class 4,
Myah (Class 5),
All of Class 6 Elm and Freddie (Class 6 Oak)

Sun Cream

We have been made aware that Nivea's new sun cream for children now contains Almond oil.

The bottle does not state on the back it contains Almond Oil however, if you go onto the website it lists all the ingredients and it states Organic Almond Oil.

As you are aware we are a nut free setting and do have children with severe nut allergies, I therefore request that this particular sun cream is not sent into school or used on your child before attending please.

Thank you for your cooperation.

School Meal Prices

Following a Finance and Premises Governors meeting this week, please be advised that we have had to review our school meal prices and as a result please be advised that school meals will be priced at £2.30 from September.

We have managed to keep our school meal prices fixed for nearly 10 years at the current price, but with food and fuel prices having significantly increased, we are unfortunately unable to hold them at this price any longer. We pride ourselves of the quality, freshness and range of choices the children receive here at Chancellor Park which we are committed to maintain, and so I'm sure you'll appreciate in the current climate why we have had to finally review the costs this year.

We have decided to hold the price for the remaining part of this term, and the new price will come into effect from September.

Parking in Webb Close

We have received a couple of calls this week from residents in Webb Close expressing their frustration regarding parents parking in Webb Close.

Once again, can I politely remind parents that if you are driving to collect your children and having to park in Webb Close, or any other surrounding roads, please do so considerately. We are always keen to maintain good relationships with our neighbours to the school, so your support with this would be much appreciated.

Swimming

Please be reminded that the snacks the children bring in for swimming also need to be healthy please – no crisps or chocolate bars and obviously nothing containing nuts also.

Hayfever

The Hayfever season has started and we have seen a number of children report to the school office this week with symptoms. If your child is a regular sufferer, please ensure they receive any medication in the morning before they attend school to help reduce their symptoms.

PTA Message Board

Hi everyone,

Firstly, thank you to everyone who came on the PTA call on Wednesday evening, I really appreciate you taking the time to come on.

A few points that were raised-

Chatterbox sessions at Great Baddow High School for Year 5 children

Hi
Our Chatterbooks sessions for year 5 children are running on Wednesday 8th, 15th, 22nd and 29th June. Letters about this and other clubs happening at GBHS were sent out by our Deputy Head, Mrs Mills, before Easter.

We still have a few places available at our Chatterbooks sessions and we would love to fill these. If anyone is interested in joining the group, they can email us directly at library@gbhs.co.uk to book a place. We need response by Tuesday 10th May.

At Chatterbooks we read a book together and then take part in fun activities related to the book. The aim is to encourage children to enjoy their reading, meet others who enjoy reading and see how a secondary school library works.

If you have any queries, please email me.

Many thanks for this

Cathy Hawkings
